Puppy Purchase & Sale Agreement

Section I Buyer's Obligations

The Buyer agrees to provide the dog with the proper exercise, diet, shelter and general care and properly maintain adequate accommodations for an American Bulldog considering its size and weight. The Buyer further agrees to provide regular veterinary care including checkups, booster vaccinations and any other care needed by the dog
(e.g. regular worming, illnesses, injuries, ect).

The Buyer agrees to register and advertise all canines purchased from Mac's American Bulldogs with appellation relevant to the breeding, all dogs must bear "Mac's" in front of their elected name. E.g. "Bronco" must be "Mac's Bronco" on all registration paperwork with all registries used as well as any advertising and marketing done using this canine. Of course your kennel name may be added as well but must always include "Mac's" in the beginning. All dogs bred by Mac's American Bulldogs must bear this name or the contract may be considered void and the dog and any moneteries gained be returned to Mac's American Bulldogs.

The Buyer agrees that the Kennel may continue to use the dog's name, picture and/or information in advertising the Kennel or other dogs.

In the event that the Buyer is unable to keep the dog for any reason, the Buyer agrees to immediately contact the Kennel. The Buyer agrees that the Kennel has the option to accept the return of the dog at a reasonable price.

The Buyer is encouraged to bring his/her puppy to a qualified veterinarian within 5 days for a preliminary veterinary evaluation. The Kennel agrees that the puppy is current on shots and dewormer appropriate to the puppy's age.

The Buyer acknowledges that the American Bulldog is a large and powerful breed, is familiar with the traits of the American Bulldog and is cognizant of the importance of training and socialization. The Buyer agrees that he/she bears responsibility for the training and socialization of the dog, and responsibility for the safety of the dog and others with whom the dog interacts. The Buyer accepts all risks and responsibilities for owning the dog and acknowledges that he/she has the sole responsibility for ongoing, lifetime socialization and training for the dog as appropriate for its age and level.

If at any time, there is neglect, abuse or illegal activity involving this canine, said canine is subject to immediate forfeiture to the Kennel.

In the event of breach of this agreement, the Buyer agrees to pay all expenses of retaking, holding, preparing for sale, selling, and expenses as may be allowed by the law and incurred by the seller in enforcing his/her rights under this security agreement. The dog may be subject to forfeit if the Buyer does not fulfill his/her obligations.

Section II
Seller's Obligations

The Kennel agrees to register the puppy with an appropriate organization and will forward the registration paperwork to the Buyer upon receiving it from the registry.

If the Buyer takes the puppy to the veterinarian within the first five days after receiving it and the dog shows signs of illness or genetic defect a warranty will apply as follows. The genetic defect warranty is extended through the dogs first birthday when concerning Hip Dysplasia. To use this Hip Warranty the dog must never have been bred, chained or on tie outs, or been involved in weight pulling of any kind.

The Kennel reserves the right to seek a second and third opinion in any and all cases wherein the Buyer seeks to utilize this warranty. If the warranty is frivolously used or the canine is found to be in good health then the veterinary expenses incurred during the screening process will be at the buyers expense. The warranty is applicable only to the original Buyer and is not transferable to any third party. The Buyer agrees that the remedies listed below are the only remedies available.

If the Buyer meets the necessary conditions for warranty, the Kennel agrees to a one time puppy replacement with a puppy of equal value at which time the Kennel is reasonably able. The Buyer bears the responsibility for shipping the dog to our Kennel, should he/she seek puppy replacement. Should the Buyer decide to keep the dog, the only remedy available to him/her is 50% off the puppy price of a puppy of equal value when the Kennel is reasonably able and the Buyer further accepts responsibility for any medical expenses for the canine. The warranty is null and void if the Buyer has failed to comply with the terms of the warranty or has shown negligence or abuse in the care of his/her dog.
